

1st March 2023

Progress Power Ltd (PPL), Potash Lane, Eye Airfield

Piling Load Tests on Site: March 2023

Due to your proximity to Eye Airfield, we are writing to inform you that we have started preliminary work on site to construct the Progress Power Station.

Preliminary piling load testing will take place in the week commencing 13th March 2023.

Piling work does create noise, which is monitored in order that it is conducted within approved limits. Our working hours for Monday – Friday are 07:00 to 18:30. The contractor undertaking the work is Aarsleff.

If you have any questions regarding the work during this period, or any other questions regarding the construction then please contact our site communications team at:

progresspower@secnewgate.co.uk

01379 776180

There will be more information regarding this project on a dedicated project website due to be launched in the coming weeks.

Yours faithfully

MYTILINEOS
